

## Terms and Conditions - 50% Credit Bonus

M4Markets, hereinafter referred to as the Company invites traders to participate in its **“50% Credit Bonus”** ("hereinafter referred to as "the Promotion") subject to the terms and conditions contained herein.

The Promotion is available to all clients excluding MAM/PAMM accounts provided that they are eligible to participate in the Promotion subject to the Company's eligibility criteria as indicated in the [Client Services Agreement](#) and these terms.

For participating in the Promotion, the participants should have already completed the steps required for opening an account with the Company, the client's due diligence and know your client procedures, and the account must be activated.

### The Promotion's conditions:

1. Only applicable to verified clients of M4Markets trading on the MT5 trading platforms.
2. Clients from China are excluded from this promotion.
3. The Promotion offers each verified client the opportunity to earn up to \$10,000 as credit bonus. The bonus will be awarded as a 50% credit bonus with each deposit. The accumulated bonus can reach \$10,000 on a client level and is not calculated per trading account. Any abuse of having multiple profiles to have this promotion is considered as Trading Abusive Behaviour.
4. Clients can have up to three MT5 Bonus Accounts provided that each account is a different account type (i.e. one MT5 Bonus Standard account, one MT5 Bonus Raw Spread account and one MT5 Bonus Premium Account) and that the deposit requirements are met.
5. By participating in the Promotion, the Client acknowledges that s/he has read and agreed to be bound by these Terms and Conditions as well as to the [Client Services Agreement](#).
6. To participate in the competition new clients will need to complete M4Markets' registration form, complete their Economic profile and upload the required documents in the Client Portal to verify their profile. Once their profile has been approved, Clients can navigate to their Client Portal Choose "Open Live Account" under the Accounts tab and select the MT5 Bonus Account type of their preference. The 50% credit bonus will be credited to their account automatically after their first deposit.
7. Existing clients will need to open a new MT5 Bonus Trading Account directly from their Client Portal and make a new deposit in the new account or transfer the required funds from an existing account. Their 50% credit bonus will then be credited to their account automatically in case of a new deposit.
8. The Company will not be liable for any stop-outs or any other consequences that result out of a Bonus cancellation and/or removal.

9. If your equity is equal with credit, then the bonus will be instantly cancelled out. For example, if your initial deposit was \$1,000 and the bonus awarded was \$500, raising your account equity to \$1,500, the stop-out level will be \$500 if you lose. Therefore, you will reach the initial bonus which has been credited to your account and the bonus will be automatically removed from your account.
10. The minimum deposit for the promotion is \$50 and the maximum bonus awarded to each client will be 10000 USD/ 10000 EUR/ 10000 GBP/ 1000000 JPY.
11. Internal funds transferred between trading Accounts within the Company are considered as withdrawals, therefore the bonus will be removed if the amount being transferred out of the 50% Credit Bonus account is from the original balance that was awarded a respective bonus. For internal transfers between Bonus Accounts, note that the bonus will be transferred proportionally based on the amount being transferred.
12. The bonus is made withdrawable once 1 lot of FX/Metals has been traded.
  - Clients trading on Standard Account will have 2 units of currency deducted from the credit bonus and added to their balance for every lot traded.
  - Clients trading on Raw Spread and Premium Accounts will have 1 unit of currency deducted from the credit bonus and added to their balance for every lot traded.
  - Each trade needs to be open for a minimum of 3 minutes for clients to be eligible for the credit bonus update.
